
Transfers of securities to The Royal Bank of Scotland plc pursuant to Part VII of the UK Financial Services and Markets Act 2000

On 6 February 2010, ABN AMRO Bank N.V. (registered with the Dutch Chamber of Commerce under number 33002587) changed its name to The Royal Bank of Scotland N.V. ("**RBS N.V.**") and on 1 April 2010 ABN AMRO Holding N.V. changed its name to RBS Holdings N.V.

On 23 September 2011, RBS N.V. and The Royal Bank of Scotland plc, with its registered office at 36 St Andrew Square, Edinburgh, Scotland ("**RBS plc**"), announced that the Court of Session in Scotland had approved and sanctioned the implementation of a banking business transfer scheme whereby eligible business carried on in the United Kingdom by RBS N.V. would be transferred to RBS plc pursuant to Part VII of the UK Financial Services and Markets Act 2000 (the "**Part VII Scheme**"). The Part VII Scheme took effect on 17 October 2011 (the "**Effective Date**").

From the Effective Date, RBS plc became the issuer of those securities originally issued by RBS N.V. which were transferred to RBS plc pursuant to the Part VII Scheme. Under the Part VII Scheme, amendments were made to the terms of the transferring securities and to agreements related to them from the Effective Date in order to give effect to the Part VII Scheme, including (but not limited to) references to "The Royal Bank of Scotland N.V." (including references to its former name "ABN AMRO Bank N.V.") being construed as references to "The Royal Bank of Scotland plc". Details of these amendments are set out in the Scheme Document which can be viewed at www.investors.rbs.com/RBS_NV.

For details of which securities were transferred to RBS plc pursuant to the Part VII Scheme, investors should refer to www.investors.rbs.com/RBS_NV or, for securities issued from on or about 21 July 2011, investors should refer to the terms of the issue or offer documents (including termsheets). If they indicate that RBS plc was expected to become the issuer of the securities as a result of the Part VII Scheme, then RBS plc has become the issuer as of the Effective Date, unless the securities have been exercised, redeemed or repurchased and cancelled prior to the implementation of the Part VII Scheme.

For further details of the Part VII Scheme generally, investors should refer to www.investors.rbs.com/RBS_NV.

CONDITIONS: GENERAL CONDITIONS

The General Conditions which follow relate to the Securities and must be read in conjunction with, and are subject to, the Product Conditions (whether or not attached to this document). The Product Conditions and the General Conditions together constitute the Conditions of the Securities and will be printed on the Definitive Securities or attached to the Global Security representing the Securities.

1. DEFINITIONS

Terms in capitals which are not defined in these General Conditions shall have the meanings ascribed to them in the Product Conditions.

2. STATUS

The Securities constitute unsecured and unsubordinated obligations of the Issuer and rank *pari passu* among themselves and with all other present and future unsecured and unsubordinated obligations of the Issuer save for those preferred by mandatory provisions of law.

3. EARLY TERMINATION

The Issuer shall have the right to terminate the Securities if it shall have determined in its absolute discretion that for reasons beyond its control its performance thereunder shall have become unlawful in whole or in part as a result of compliance in good faith by the Issuer with any applicable present or future law, rule, regulation, judgement, order or directive of any governmental, administrative, legislative or judicial authority or power (“**Applicable Law**”). In such circumstances the Issuer will, however, if and to the extent permitted by the Applicable Law, pay to each Holder in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination (ignoring such illegality) less the cost to the Issuer of unwinding any related hedging arrangements. Payment will be made to the Holder in such manner as shall be notified to the Holder in accordance with General Condition 4.

4. NOTICES

(a) Validity. Unless otherwise specified in an Offering Supplement, announcements to Holders will be valid if delivered to the Clearing Agent(s).

- (b) Delivery. Any such announcement issued pursuant to General Condition 4(a) shall be deemed to be effective on the day following its delivery to the Clearing Agent (and if delivered to more than one Clearing Agent on the date first delivered to a Clearing Agent) or, if published as specified in the relevant Offering Supplement on the date of such publication (and if published in more than one country then on the date first published).

5. HEDGING DISRUPTION

- (a) Notification. The Issuer shall as soon as reasonably practicable give instructions to the Calculation Agent to notify the Holders in accordance with General Condition 4(a): (i) if it determines that a Hedging Disruption Event has occurred; and (ii) of the consequence of such Hedging Disruption Event as determined by the Issuer pursuant to General Condition 5(c).
- (b) Hedging Disruption Event. A “**Hedging Disruption Event**” shall occur if the Issuer determines that it is or has become not reasonably practicable or it has otherwise become undesirable, for any reason, for the Issuer wholly or partially to establish, re-establish, substitute or maintain a relevant hedging transaction (a “**Relevant Hedging Transaction**”) it deems necessary or desirable to hedge the Issuer's obligations in respect of the Securities. The reasons for such determination by the Issuer may include, but are not limited to, the following:
 - (i) any material illiquidity in the market for the relevant instruments (the “**Disrupted Instrument**”) which from time to time are included in the Index to which the Securities relate; or
 - (ii) a change in any applicable law (including, without limitation, any tax law) or the promulgation of, or change in, the interpretation of any court, tribunal or regulatory authority with competent jurisdiction of any applicable law (including any action taken by a taxing authority);
or
 - (iii) a material decline in the creditworthiness of a party with whom the Issuer has entered into any such Relevant Hedging Transaction; or
 - (iv) the general unavailability of: (A) market participants who will agree to enter into a Relevant Hedging Transaction; or (B) market

participants who will so enter into a Relevant Hedging Transaction on commercially reasonable terms.

- (c) Consequences. The Issuer, in the event of a Hedging Disruption Event, may determine to:
- (i) terminate the Securities. In such circumstances the Issuer will, however, if and to the extent permitted by the Applicable Law, pay to each Holder in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination less the cost to the Issuer of unwinding any related hedging arrangements. Where the Securities contain provisions which provide a minimum assured return of principal, howsoever expressed, on the Settlement Date or Maturity Date as applicable, or a minimum assured return of interest or coupons, howsoever expressed, on a relevant Interest Payment Date, any such amount to be paid under this General Condition shall not be less than the present value of such minimum assured return of principal and/or interest or coupons, such present value being determined by the Calculation Agent. Payment will be made to the Holder in such manner as shall be notified to the Holder in accordance with General Condition 4;
 - (ii) make an adjustment in good faith to the relevant Index by removing the Disrupted Instrument at its fair market value (which may be zero). Upon any such removal the Issuer may: (A) hold any notional proceeds (if any) arising as a consequence thereof and adjust the terms of payment and/or delivery in respect of the Securities; or (B) notionally reinvest such proceeds in other Index(s) if so permitted under the Conditions (including the Index(s) to which the Securities relate);
 - (iii) make any other adjustment to the Conditions as it considers appropriate in order to maintain the theoretical value of the Securities after adjusting for the relevant Hedging Disruption Event. Where the Securities contain provisions which provide a minimum assured return of principal, howsoever expressed, on the Settlement Date or Maturity Date as applicable, or a minimum assured return of interest

or coupons, howsoever expressed, on a relevant Interest Payment Date, any such adjustment will in no way affect the Issuer's obligations to make payment to the Holders not less than the minimum assured return of principal and/or interest or coupons on the relevant Settlement Date or Maturity Date, or Interest Payment Date, as applicable.

6. PURCHASES, FURTHER ISSUES BY THE ISSUER AND PRESCRIPTION

- (a) Purchases. The Issuer or any Affiliate may, except under certain circumstances, purchase Securities at any price in the open market or by tender or private treaty. Any Securities so purchased may be held, surrendered for cancellation or reissued or resold, and Securities so reissued or resold shall for all purposes be deemed to form part of the original series of Securities.

In this General Condition 6(a) "**Affiliate**" means any entity controlled directly or indirectly, by the Issuer, any entity that controls, directly or indirectly, the Issuer, or any entity under common control with the Issuer. As used herein "**control**" means the ownership of a majority of the voting power of the entity and "**controlled by**" and "**controls**" shall be construed accordingly.

- (b) Further Issues. The Issuer shall be at liberty from time to time without the consent of the Holders or any of them to create and issue further securities so as to be consolidated with and form a single series with the Securities.
- (c) Prescription. Any Security or Coupon which is capable of presentation and is not so presented by its due date for presentation shall be void, and its value reduced to zero, if not so presented within five years of such due date. For the avoidance of doubt, any Securities which are subject to provisions relating to their exercise shall be void, and their value shall be zero, if not exercised in accordance with their provisions.

7. DETERMINATIONS AND MODIFICATIONS

- (a) Determinations. Any determination made by the Issuer shall (save in the case of manifest error) be final, conclusive and binding on the Holders.
- (b) Modifications. The Issuer may without the consent of the Holders or any of them, modify any provision of the Conditions which is: (i) of a formal, minor or technical nature; (ii) made to correct a manifest error; or (iii) in its absolute

discretion, not materially prejudicial to the interests of the Holders. Notice of any such modification will be given to the Holders in accordance with General Condition 4 but failure to give, or non-receipt of, such notice will not affect the validity of any such modification.

8. SUBSTITUTION

- (a) Substitution of Issuer. The Issuer may at any time, without the consent of the Holders substitute for itself as principal obligor under the Securities any company (the “**Substitute**”), being any subsidiary or affiliate of the Issuer, subject to: (i) the obligation of the Substitute under the Securities being guaranteed by ABN AMRO Holding N.V. (“**Holding**”) (unless Holding is the Substitute); (ii) all actions, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Securities represent legal, valid and binding obligations of the Substitute having been taken, fulfilled and done and being in full force and effect; and (iii) the Issuer having given at least 30 days’ prior notice of the date of such substitution to the Holders in accordance with General Condition 4. In the event of any substitution of the Issuer, any reference in the Conditions to the Issuer shall from such time be construed as a reference to the Substitute.
- (b) Substitution of Office. The Issuer shall have the right upon notice to the Holders in accordance with General Condition 4 to change the office through which it is acting and shall specify the date of such change in such notice.

9. TAXATION

The Issuer shall not be liable for or otherwise obliged to pay any tax, duty, withholding or other similar payment which may arise as a result of the ownership, transfer or exercise of any Securities. In relation to each Security the relevant Holder shall pay all Expenses as provided in the Product Conditions. All payments or, as the case may be, deliveries in respect of the Securities will be subject in all cases to all applicable fiscal and other laws and regulations (including, where applicable, laws requiring the deduction or withholding for, or on account of, any tax duty or other charge whatsoever). The Holder shall be liable for and/or pay, any tax, duty or charge in connection with, the ownership of and/or any transfer, payment or delivery in respect of the Securities held by such Holder. The Issuer shall have the right, but shall not be obliged, to withhold or deduct from any amount payable such amount, as shall be necessary to account for or to pay any such tax, duty, charge, withholding or

other payment. Each Holder shall indemnify the Issuer against any loss, cost or other liability whatsoever sustained or incurred by the Issuer in respect of any such tax, duty, charge, withholding or other payment as referred to above in respect of the Securities of such Holder.

10. REPLACEMENT OF SECURITIES AND COUPONS

If any Security or Coupon is lost, stolen, mutilated, defaced or destroyed it may be replaced at the specified office of the Principal Agent (or such other place of which notice shall have be given to Holders in accordance with General Condition 4) upon payment by the claimant of the expenses incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Securities and Coupons must be surrendered before replacements will be issued.

11. ADJUSTMENTS FOR EUROPEAN MONETARY UNION

(a) Redenomination. The Issuer may, without the consent of any Holder, on giving notice to the Holders in accordance with General Condition 4 elect that, with effect from the Adjustment Date specified in such notice, certain terms of the Securities shall be redenominated in euro. The election will have effect as follows:

(i) where the Settlement Currency is the National Currency Unit of a country which is participating in the third stage of European Economic and Monetary Union pursuant to the Treaty, whether as from 1999 or after such date, such Settlement Currency shall be deemed to be an amount of euro converted from the original Settlement Currency into euro at the Established Rate, subject to such provisions (if any) as to rounding as the Issuer may decide and as may be specified in the notice, and after the Adjustment Date, all payments in respect of the Securities will be made solely in euro as though references in the Securities to the Settlement Currency were to euro;

(ii) where the Conditions contain a rate of exchange or any of the Conditions are expressed in a currency (the “**Original Currency**”) of a country which is participating in the third stage of European Economic and Monetary Union pursuant to the Treaty, whether as from 1999 or after such date, such rate of exchange and/or any other terms of the Conditions shall be deemed to be expressed in or, in the case of a rate of exchange, converted for or, as the case may be into, euro at the Established Rate; and

- (iii) such other changes shall be made to the Conditions as the Issuer may decide to conform them to conventions then applicable to instruments expressed in euro.
- (b) **Adjustment to Conditions.** The Issuer may, without the consent of the Holders, on giving notice to the Holders in accordance with General Condition 4 make such adjustments to the Conditions as the Issuer may determine to be appropriate to account for the effect of the third stage of European Economic and Monetary Union pursuant to the Treaty on the Conditions.

For the purposes of this definition, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the Exchange or any Related Exchange, but a limitation on trading imposed during the course of the day by reason of movements in price otherwise exceeding levels permitted by the Exchange or any Related Exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

- (b) **Potential Adjustment Events.** Following a declaration by the Share Company of the terms of any Potential Adjustment Event, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Share and, if so, will:

 - (ii) determine the effective date of that adjustment.

The Calculation Agent may, but need not, determine the adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options

exchange. Upon making any such adjustment, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the adjustment to be made to the Conditions and giving brief details of the Potential Adjustment Event.

- (c) De-listing, Merger Event, Nationalisation and Insolvency. If a De-listing, Merger Event, Nationalisation or Insolvency occurs in relation to the Share Company, the Issuer in its sole and absolute discretion may take the action described in (i), (ii) or (iii) below:
- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of these Conditions to account for the De-listing, Merger Event, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The Calculation Agent may (but is under no obligation to) determine the appropriate adjustment by reference to the adjustment in respect of the De-listing, Merger Event, Nationalisation or Insolvency made by any Related Exchange to options contracts or futures contracts or other

derivatives contracts on the Shares traded on such Related Exchange;
or

- (ii) cancel the Securities by giving notice to Holders in accordance with General Condition 4. If the Securities are to be cancelled the Issuer will pay an amount to each Holder in respect of each Security held by him which amount shall be the fair market value of a Security (taking into account the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be)) on the day selected for cancellation as shall be selected by the Issuer in its sole and absolute discretion adjusted to account fully for any losses, expenses and costs to the Issuer and/or any affiliate of the Issuer of unwinding or adjusting any underlying or related hedging arrangements (including but not limited to any equity options or selling or otherwise realising any Shares or other instruments of any type whatsoever which the Issuer and/or any of its affiliates may hold as part of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payment will be made in such manner as shall be notified to the Holders in accordance with General Condition 4; or
- (iii) following any adjustment to the settlement of terms of options contracts or futures contracts or any other derivatives contracts on the Shares traded on any Related Exchange, require the Calculation Agent to make a corresponding adjustment to any of the other terms of these Conditions, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Related Exchange. If options contracts or futures contracts or other derivatives contracts on the Shares are not traded on the Related Exchange, the Calculation Agent will make such adjustment, if any, to any of the other terms of these Conditions as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Related Exchange to account for the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) that in the determination of the Calculation Agent would have given rise to an adjustment by the Related Exchange if such

options contracts or futures contracts or other derivatives contracts were so traded.

Upon the occurrence of a De-listing, Merger Event, Nationalisation or Insolvency, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the occurrence of such De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) and the action proposed to be taken in relation thereto.

“De-listing” means a Share for any reason ceases to be listed or is suspended from listing on the Exchange (and such cessation or suspension is continuing and such Share is not subsequently listed or quoted on another stock exchange or quotation system acceptable to the Issuer).

“Merger Date” means the date upon which all holders of the Shares of a Share Company (other than, in the case of a take-over offer, Shares owned or controlled by the offeror) have agreed or have irrevocably become obliged to transfer their Shares.

“Merger Event” means any (i) reclassification or change to the Shares of a Share Company that results in a transfer of or an irrevocable commitment to transfer all outstanding Shares of such Share Company; (ii) consolidation, amalgamation or merger of a Share Company with or into another entity (other than a consolidation, amalgamation or merger in which such Share Company is the continuing entity and which does not result in any such reclassification or change to all the outstanding Shares of a Share Company); or (iii) other take-over offer for the Shares of a Share Company that results in a transfer of, or an irrevocable commitment to transfer, the Shares of a Share Company (other than any such Shares owned or controlled by the offeror), in each case if the Merger Date is on or before the Valuation Date.

“Nationalisation” means that all the Shares of a Share Company or all the assets or substantially all the assets of a Share Company are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority or entity.

“Insolvency” means that by reason of the voluntary or involuntary liquidation, bankruptcy or insolvency of or any analogous proceeding affecting a Share Company (i) all the Shares are required to be transferred to a receiver, trustee, liquidator or other similar official or (ii) holders of the

Shares of that Share Company become legally prohibited from transferring them.

- (d) The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations.

5. GOVERNING LAW

ZUSATZANGABEN FÜR DAS ANGEBOT IN DER BUNDESREPUBLIK DEUTSCHLAND

WICHTIG: DIESE ZUSATZANGABEN FÜR DAS ANGEBOT IN DER BUNDESREPUBLIK DEUTSCHLAND SOWIE DARIN ENTHALTENE BEZUGNAHMEN AUF WERTPAPIERE BEZIEHEN SICH AUSSCHLIEßLICH AUF DEN NACHTRAG NR. 5444 VOM 11. APRIL 2008 GEMÄß § 10 WERTPAPIER-VERKAUFSPROSPEKTGESETZ ZUM UNVOLLSTÄNDIGEN VERKAUFSPROSPEKT VOM 28. FEBRUAR 2002.

1. BESTEUERUNG

- (a) DEUTSCHE BESTEUERUNG FÜR INHABER DER PRODUKTE, DIE NICHT ALS FINANZINNOVATIONEN QUALIFIZIERT WERDEN

Der folgende Abschnitt beschreibt in allgemeiner Form die steuerlichen Folgen nach deutschem Recht, die mit dem Erwerb, der Veräußerung oder Rücknahme von Wertpapieren verbunden sind, die keine Finanzinnovationen sind. Dieser Abschnitt ist damit in erster Linie für Wertpapiere relevant, bei denen weder die Rückzahlung des Kapitals noch ein Entgelt für deren Nutzung (z.B. Zinszahlungen) zugesagt oder gewährt wird. Die Darstellung beruht auf den gesetzlichen Bestimmungen zum Zeitpunkt der Veröffentlichung dieses Nachtrags. Diese können sich, ggf. auch rückwirkend, ändern. Potentiellen Käufern von Wertpapieren wird empfohlen, wegen der steuerlichen Folgen des Erwerbs, des Haltens, der Veräußerung oder Rücknahme von Wertpapieren ihre eigenen steuerlichen Berater zu konsultieren. Diese allein können die besonderen Umstände des jeweiligen Einzelfalls berücksichtigen.

Ein in Deutschland ansässiger Privatanleger (Wohnsitz oder gewöhnlicher Aufenthaltsort in Deutschland), der ein Wertpapier innerhalb eines Jahres nach Erwerb veräußert, unterliegt mit einem Veräußerungsgewinn grundsätzlich der Einkommensteuer (zuzüglich Solidaritätszuschlag in Höhe von 5,5% der Einkommensteuer).

Der Veräußerungsgewinn wird als Differenz von Verkaufs- bzw. Rücknahmeerlös einerseits sowie ursprünglichen Anschaffungskosten und Spesen andererseits ermittelt. Im Kalenderjahr werden sämtliche Gewinne und Verluste aus diesen Geschäften saldiert. Liegen die Gewinne nach Saldierung unter Euro 512, bleiben sie steuerfrei; ab Euro 512 sind sie in voller Höhe steuerpflichtig. Wird nach

Saldierung ein Verlust ausgewiesen, kann der Verlust im Vorjahr erzielte Gewinne aus privaten Veräußerungsgeschäften mindern. Ist das nicht möglich oder gewünscht, kann der Verlust vorgetragen und unter bestimmten Beschränkungen mit künftigen Gewinnen aus privaten Veräußerungsgeschäften verrechnet werden.

Auch nach Ablauf der Einjahresfrist kann im Einzelfall eine Steuerpflicht gegeben sein. Sind die Wertpapiere einem Betriebsvermögen in Deutschland zugeordnet, unterliegt der Gewinn aus der Veräußerung unabhängig von der Haltedauer grundsätzlich der Einkommensteuer oder Körperschaftsteuer, jeweils zuzüglich Solidaritätszuschlags i.H.v. 5,5% hierauf, sowie im Grundsatz der Gewerbesteuer. Der Umfang der Steuerpflicht ist allerdings für jeden Einzelfall gesondert zu bestimmen. Ob Verluste abziehbar sind, hängt ebenfalls von den Umständen des Einzelfalls ab.

Auch eine nicht in Deutschland ansässige Person ist im Allgemeinen nach den oben genannten Grundsätzen steuerpflichtig, z.B. wenn sie in Deutschland eine Betriebsstätte unterhält oder einen ständigen Vertreter bestellt hat und die Wertpapiere der inländischen Betriebsstätte bzw. dem ständigen Vertreter zuzurechnen sind.

- (b) DEUTSCHE BESTEUERUNG FÜR INHABER DER PRODUKTE, DIE FINANZINNOVATIONEN SIND

Der folgende Abschnitt beschreibt in allgemeiner Form die steuerlichen Folgen nach deutschem Recht, die mit dem Erwerb, der Veräußerung oder Rücknahme von Wertpapieren verbunden sind, die Finanzinnovationen sind. Die Darstellung beruht auf den gesetzlichen Bestimmungen zum Zeitpunkt der Veröffentlichung dieses Nachtrags. Diese können sich, ggf. auch rückwirkend, ändern. Potentiellen Käufern von Wertpapieren wird empfohlen, wegen der steuerlichen Folgen des Erwerbs, des Haltens, der Veräußerung oder Rücknahme von Wertpapieren ihre eigenen steuerlichen Berater zu konsultieren. Diese allein können die besonderen Umstände des jeweiligen Einzelfalls berücksichtigen.

Zinszahlungen der Emittentin unterliegen bei in Deutschland ansässigen Anlegern grundsätzlich der Einkommen- bzw. Körperschaftsteuer und zusätzlich dem Solidaritätszuschlag in Höhe von 5,5% der jeweiligen Einkommen- oder Körperschaftsteuerschuld. Gehören die Wertpapiere zu einem inländischen gewerblichen Betriebsvermögen, unterliegen solche Zinszahlungen grundsätzlich auch der Gewerbesteuer. Werden die Wertpapiere von einem inländischen Kreditinstitut oder Finanzdienstleistungsinstitut (einschließlich der inländischen

Niederlassung eines ausländischen Instituts) verwahrt oder verwaltet, wird ein Zinsabschlag in Höhe von 30% (zuzüglich 5,5% Solidaritätszuschlag auf diesen Betrag, insgesamt also 31,65%) einbehalten.

Gewinne aus dem Verkauf oder der Rücknahme der Wertpapiere unterliegen als Einkünfte aus Kapitalvermögen der Einkommen- oder Körperschaftsteuer zuzüglich Solidaritätszuschlag. Werden die Wertpapiere in einem gewerblichen Betriebsvermögen gehalten, sind Gewinne aus der Veräußerung oder Rücknahme zudem grundsätzlich der Gewerbesteuer unterworfen.

Werden die Wertpapiere durch ein inländisches Kreditinstitut oder Finanzdienstleistungsinstitut (einschließlich der inländischen Niederlassung eines ausländischen Instituts) verwahrt oder verwaltet, wird auch im Fall der Einlösung bzw. Veräußerung ein Zinsabschlag i.H.v. 30% (zuzüglich 5,5% Solidaritätszuschlag darauf) einbehalten. Wurden die Wertpapiere bei dem entsprechenden Institut seit Erwerb verwahrt oder verwaltet, bemisst sich der Steuerabzug nach der Differenz zwischen dem Veräußerungs- oder Rücknahmeerlös und dem Entgelt für den Erwerb der Wertpapiere, ansonsten wird der Zinsabschlag von 30% des Verkaufs- oder Rücknahmeerlöses erhoben.

Der Zinsabschlag wird mit der endgültigen Einkommen- oder Körperschaftsteuerschuld des Inhabers der Wertpapiere verrechnet. Entsprechend mindert sich der Solidaritätszuschlag. Ein etwaiger Überhang wird erstattet.

Im Ausland ansässige Anleger sind in Deutschland mit Einkünften aus den Wertpapieren grundsätzlich nicht steuerpflichtig. In der Regel wird auch kein Zinsabschlag erhoben, gleich, ob die Wertpapiere bei einem deutschen Kreditinstitut oder Finanzdienstleistungsinstitut verwahrt oder verwaltet werden. Ausnahmen gelten z.B. dann, wenn die Wertpapiere als Betriebsvermögen einer inländischen Betriebsstätte des Anlegers gehalten werden.

Anlegern wird empfohlen, im Hinblick auf die individuellen steuerlichen Auswirkungen den eigenen steuerlichen Berater zu konsultieren.

(c) EU-ZINSBESTEUERUNGSRICHTLINIE

Nach der Richtlinie 2003/48/EG des Rates über die Besteuerung von Einkommen aus Geldanlagen (die "**Richtlinie**") sind Mitgliedsstaaten der Europäischen Union seit dem 1. Juli 2005 verpflichtet, den Steuerbehörden eines anderen Mitgliedsstaates über die Zahlung von Zinsen oder ähnlichen Einkünften durch eine Person in ihrem Hoheitsgebiet an eine natürliche Person, die in einem anderen Mitgliedsstaat ansässig ist, zu übermitteln. Während eines Übergangszeitraums

müssen jedoch Belgien, Luxemburg und Österreich (es sei denn, sie entscheiden sich während dieses Zeitraumes anderweitig) stattdessen von solchen Zahlungen eine Quellensteuer erheben (wobei das Ende des Übergangszeitraums vom Abschluss bestimmter anderer Vereinbarungen über den Austausch von Informationen mit bestimmten anderen Ländern abhängt). Eine Reihe von Ländern und Gebieten, die nicht zur EU gehören, darunter die Schweiz, haben entsprechende Maßnahmen eingeführt, z. B. erhebt die Schweiz eine Quellensteuer.

Die Umsetzung der Richtlinie in deutsches Recht erfolgte durch Verordnung der Bundesregierung vom 26. Januar 2004. Diese Bestimmungen gelten seit dem 1. Juli 2005.

Die Anleger werden darauf hingewiesen, daß eine Erstattung etwa erhobener Quellensteuern durch die Emittentin nach den Wertpapierbedingungen nicht vorgesehen ist.

2. EMISSION UND VERKAUF

Die Wertpapiere sind zum Vertrieb und zum Verkauf in Deutschland geeignet und werden am 11. April 2008 emittiert und ab dem 11. April 2008 freibleibend zum Verkauf angeboten.
