CONDITIONS: GENERAL CONDITIONS

The General Conditions which follow relate to the Securities and must be read in conjunction with, and are subject to, the Product Conditions (whether or not attached to this document). The Product Conditions and the General Conditions together constitute the Conditions of the Securities and will be printed on the Definitive Securities or attached to the Global Security representing the Securities.

1. DEFINITIONS

Terms in capitals which are not defined in these General Conditions shall have the meanings ascribed to them in the Product Conditions.

2. STATUS

The Securities constitute unsecured and unsubordinated obligations of the Issuer and rank *pari passu* among themselves and with all other present and future unsecured and unsubordinated obligations of the Issuer save for those preferred by mandatory provisions of law.

3. EARLY TERMINATION

The Issuer shall have the right to terminate the Securities if it shall have determined in its absolute discretion that for reasons beyond its control its performance thereunder shall have become unlawful in whole or in part as a result of compliance in good faith by the Issuer with any applicable present or future law, rule, regulation, judgement, order or directive of any governmental, administrative, legislative or judicial authority or power (“**Applicable Law**”). In such circumstances the Issuer will, however, if and to the extent permitted by the Applicable Law, pay to each Holder in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination (ignoring such illegality) less the cost to the Issuer of unwinding any related hedging arrangements. Payment will be made to the Holder in such manner as shall be notified to the Holder in accordance with General Condition 4.

4. NOTICES

(a) Validity. Unless otherwise specified in an Offering Supplement, announcements to Holders will be valid if delivered to the Clearing Agent(s).

- (b) Delivery. Any such announcement issued pursuant to General Condition 4(a) shall be deemed to be effective on the day following its delivery to the Clearing Agent (and if delivered to more than one Clearing Agent on the date first delivered to a Clearing Agent) or, if published as specified in the relevant Offering Supplement on the date of such publication (and if published in more than one country then on the date first published).

5. HEDGING DISRUPTION

- (a) Notification. The Issuer shall as soon as reasonably practicable give instructions to the Calculation Agent to notify the Holders in accordance with General Condition 4(a):(i) if it determines that a Hedging Disruption Event has occurred and (ii) the consequence of such Hedging Disruption Event as determined by the Issuer pursuant to General Condition 5(c).

- (b) Hedging Disruption Event. A “**Hedging Disruption Event**” shall occur if the Issuer determines that it is or has become not reasonably practicable or it has otherwise become undesirable, for any reason, for the Issuer wholly or partially to establish, re-establish, substitute or maintain a relevant hedging transaction (a “**Relevant Hedging Transaction**”) it deems necessary or desirable to hedge the Issuer's obligations in respect of the Securities. The reasons for such determination by the Issuer may include, but are not limited to, the following:

- (i) any material illiquidity in the market for the relevant instruments (the “**Disrupted Instrument**”) which from time to time are included in the reference asset to which the Securities relate; or
- (ii) a change in any applicable law (including, without limitation, any tax law) or the promulgation of, or change in, the interpretation of any court, tribunal or regulatory authority with competent jurisdiction of any applicable law (including any action taken by a taxing authority); or
- (iii) a material decline in the creditworthiness of a party with whom the Issuer has entered into any such Relevant Hedging Transaction; or
- (iv) the general unavailability of (A) market participants who will agree to enter into a Relevant Hedging Transaction; or (B) market

participants who will so enter into a Relevant Hedging Transaction on commercially reasonable terms.

- (c) Consequences. The Issuer, in the event of a Hedging Disruption Event, may determine to:
- (i) terminate the Securities. In such circumstances the Issuer will, however, if and to the extent permitted by the Applicable Law, pay to each Holder in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination less the cost to the Issuer of unwinding any related hedging arrangements. **Where the Securities contain provisions which provide a minimum assured return of principal, howsoever expressed, on the Settlement Date or Maturity Date as applicable, or a minimum assured return of interest or coupons, howsoever expressed, on a relevant Interest Payment Date, any such amount to be paid under this General Condition shall not be less than the present value of such minimum assured return of principal and/or interest or coupons, such present value being determined by the Calculation Agent.** Payment will be made to the Holder in such manner as shall be notified to the Holder in accordance with General Condition 4;
 - (ii) make an adjustment in good faith to the relevant reference asset by removing the Disrupted Instrument at its fair market value (which may be zero). Upon any such removal the Issuer may:
 - (A) hold any notional proceeds (if any) arising as a consequence thereof and adjust the terms of payment and/or delivery in respect of the Securities; or
 - (B) notionally reinvest such proceeds in other reference asset(s) if so permitted under the Conditions (including the reference asset(s) to which the Securities relate);
 - (iii) make any other adjustment to the Conditions as it considers appropriate in order to maintain the theoretical value of the Securities after adjusting for the relevant Hedging Disruption Event. **Where the Securities contain provisions which provide a minimum assured**

return of principal, howsoever expressed, on the Settlement Date or Maturity Date as applicable, or a minimum assured return of interest or coupons, howsoever expressed, on a relevant Interest Payment Date, any such adjustment will in no way affect the Issuer's obligations to make payment to the Holders not less than the minimum assured return of principal and/or interest or coupons on the relevant Settlement Date or Maturity Date, or Interest Payment Date, as applicable.

6. PURCHASES, FURTHER ISSUES BY THE ISSUER AND PRESCRIPTION

- (a) Purchases. The Issuer or any Affiliate may, except under certain circumstances, purchase Securities at any price in the open market or by tender or private treaty. In this General Condition 6(a) “**Affiliate**” means any entity controlled directly or indirectly, by the Issuer, any entity that controls, directly or indirectly, the Issuer, or any entity under common control with the Issuer. As used herein “**control**” means the ownership of a majority of the voting power of the entity and “**controlled by**” and “**controls**” shall be construed accordingly.

- (b) Further Issues. The Issuer shall be at liberty from time to time without the consent of the Holders or any of them to create and issue further securities so as to be consolidated with and form a single series with the Securities.
- (c) Prescription. Any Security or Coupon which is capable of presentation and is not so presented by its due date for presentation shall be void, and its value reduced to zero, if not so presented within five years of such due date. For the avoidance of doubt, any Securities which are subject to provisions relating to their exercise shall be void, and their value shall be zero, if not exercised in accordance with their provisions.

7. DETERMINATIONS AND MODIFICATIONS

- (a) Determinations. Any determination made by the Issuer shall (save in the case of manifest error) be final, conclusive and binding on the Holders.

- (b) Modifications. The Issuer may without the consent of the Holders or any of them, modify any provision of the Conditions which is (1) of a formal, minor or technical nature, (2) made to correct a manifest error, or (3) in its absolute discretion, not materially prejudicial to the interests of the Holders. Notice of any such modification will be given to the Holders in accordance with General Condition 4 but failure to give, or non-receipt of, such notice will not affect the validity of any such modification.

8. SUBSTITUTION

- (a) Substitution of Issuer. The Issuer may at any time, without the consent of the Holders substitute for itself as principal obligor under the Securities any company (the “**Substitute**”), being any subsidiary or affiliate of the Issuer, subject to: (1) the obligation of the Substitute under the Securities being guaranteed by ABN AMRO Holding N.V. (“ **Holding**”) (unless Holding is the Substitute); (2) all actions, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Securities represent legal, valid and binding obligations of the Substitute having been taken, fulfilled and done and being in full force and effect; and (3) the Issuer having given at least 30 days’ prior notice of the date of such substitution to the Holders in accordance with General Condition 4. In the event of any substitution of the Issuer, any reference in the Conditions to the Issuer shall from such time be construed as a reference to the Substitute.
- (b) Substitution of Office. The Issuer shall have the right upon notice to the Holders in accordance with General Condition 4 to change the office through which it is acting and shall specify the date of such change in such notice.

9. TAXATION

The Issuer shall not be liable for or otherwise obliged to pay any tax, duty, withholding or other similar payment which may arise as a result of the ownership, transfer or exercise of any Securities. In relation to each Security the relevant Holder shall pay all Expenses as provided in the Product Conditions. All payments or, as the case may be, deliveries in respect of the Securities will be subject in all cases to all applicable fiscal and other laws and regulations (including, where applicable, laws requiring the deduction or withholding for, or on account of, any tax duty or other charge whatsoever). The Holder shall be liable for and/or pay, any tax, duty or charge in connection with, the ownership of and/or any transfer, payment or delivery in

respect of the Securities held by such Holder. The Issuer shall have the right, but shall not be obliged, to withhold or deduct from any amount payable such amount, as shall be necessary to account for or to pay any such tax, duty, charge, withholding or other payment. Each Holder shall indemnify the Issuer against any loss, cost or other liability whatsoever sustained or incurred by the Issuer in respect of any such tax, duty, charge, withholding or other payment as referred to above in respect of the Securities of such Holder.

Subject as set out below, any Notice so determined to be incomplete or not in proper form, or which is not copied to the Principal Agent immediately after being delivered to a Clearing Agent as provided in the Conditions shall be void.

4. ADJUSTMENTS

- (a) Market Disruption. The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

“**Market Disruption Event**” means: the occurrence or existence on any Trading Day during the one-half hour period that ends at the official close of trading on the Exchange or any Related Exchange of any suspension of or limitation imposed on trading in (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise):

- (i) on any Exchange(s) in securities that comprise 20 per cent or more of the level of the relevant Index, if in the determination of the Calculation Agent, such suspension or limitation is material. For the purpose of determining whether such suspension or limitation is material, if trading in a security included in the Index is suspended or materially limited at that time, then the relevant percentage contribution of that security to the level of the Index shall be based on a comparison of (x) the portion of the level of the Index attributable to that security relative to (y) the overall level of the Index, in each case immediately before that suspension or limitation;
or

- (ii) on any Related Exchange in any options contracts or futures contracts or other derivatives contracts relating to the relevant Index. In any event, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the relevant exchange, but a limitation on trading imposed during the course of the day by reason of movements in price otherwise exceeding levels permitted by the relevant exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.
- (b) The following shall also be deemed to be a Market Disruption Event:
 - (i) Moratorium. A general moratorium is declared in respect of banking activities in the country in which the Exchange or any Related Exchange is located; or
 - (ii) Price Source Disruption. It becomes impossible to obtain the Exchange Rate on the Valuation Date or the Issuer Call Date or the Extraordinary Termination Date in the inter-bank market; or
 - (iii) Governmental Default. With respect to any security or indebtedness for money borrowed or guaranteed by any Governmental Authority, there occurs a default, event of default or other similar condition or event (howsoever described) including, but not limited to, (A) the failure of timely payment in full of principal, interest or other amounts due (without giving effect to any applicable grace periods) in respect of any such security indebtedness for money borrowed or guarantee, (B) a declared moratorium, standstill, waiver, deferral, repudiation or rescheduling of any principal, interest or other amounts due in respect of any such security, indebtedness for money borrowed or guarantee or (C) the amendment or modification of the terms and conditions of payment of any principal, interest or other amounts due in respect of any such security, indebtedness for money borrowed or guarantee without the consent of all holders of such obligation. The determination of the existence or occurrence of any default, event of default or other similar condition or event shall be made without regard to any lack or alleged lack of authority or capacity of such Governmental Authority to issue or enter into such security, indebtedness for money borrowed or guarantee; or

- (iv) Inconvertibility/non-transferability. The occurrence of any event which (A) generally makes it impossible to convert the currencies in the Exchange Rate through customary legal channels for conducting such conversion in the principal financial centre of the Settlement Currency or (B) generally makes it impossible to deliver the Settlement Currency from accounts in the country of the principal financial centre of the Settlement Currency to accounts outside such jurisdiction or the Settlement Currency between accounts in such jurisdiction or to a party that a non-resident of such jurisdiction; or
- (v) Nationalisation. Any expropriation, confiscation, requisition, nationalisation or other action by any Governmental Authority which deprives this Issuer (or any of its Affiliates) of all or substantially all of its assets in the country of the principal financial centre of the Settlement Currency; or
- (vi) Illiquidity. It is impossible to obtain a firm quote for the Exchange Rate for an amount which the Issuer considers necessary to discharge its obligations under the Securities; or
- (vii) Change in Law. A change in law in the country of the principal financial centre of the Underlying Currency which may affect the ownership in and/or the transferability of the Underlying Currency; or

- (ix) Unavailability of Settlement Currency. The unavailability of the Settlement Currency in the country of the principal financial centre of the Underlying Currency; or
- (x) Any other event similar to any of the above, which could make it impracticable or impossible for the Issuer to perform its obligations in relation to the Securities.

For this purpose a “**Governmental Authority**” is any de facto or de jure government (or agency or instrumentality thereof, court, tribunal, administrative or other governmental authority) or any other entity (private or public) charged with the regulation of the financial markets (including the

central bank) in the country of the principal financial centre of either of the currencies in the Exchange Rate.

- (c) Adjustments to Index. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 of any determination made by it pursuant to paragraphs (1), (2), (3) or (4) below.

(1) If the Index is: (A) not calculated and announced by the Index Sponsor but is calculated and published by a successor to the Index Sponsor (the “**Successor Sponsor**”) acceptable to the Calculation Agent; or (B) replaced by a successor index using in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of the Index, then (in either case) the Index will be deemed to be the index so calculated and announced by such Successor Sponsor or that successor index, as the case may be.

(2) If: (A) on or prior to the Valuation Date or the Issuer Call Date as the case may be, the Index Sponsor or, if applicable, the Successor Sponsor, makes a material change in the formula for or the method of calculating the Index or in any other way materially modifies the Index (other than a modification prescribed in that formula or method to maintain the Index in the event of changes in constituent securities and other routine events); or (B) on the Valuation Date or the Issuer Call Date as the case may be, the Index Sponsor or, if applicable the Successor Sponsor, fails to calculate and/or publish the Index; then (in either case) the Calculation Agent shall determine the Final Reference Price using, in lieu of a published level(s) for the Index on the Valuation Date or the Issuer Call Date, as the case may be, the level for the Index as determined by the Calculation Agent in accordance with the formula for and method of calculating the Index last in effect prior to the change or failure, but using only those securities that comprised the Index immediately prior to the change or failure (other than those securities that have since ceased to be listed on the Exchange or any other exchange on which the Shares are listed) or in the case of a material modification of the Index only, the Calculation Agent shall deem such modified Index to be the Index so calculated and announced or to terminate the Securities by giving notice in accordance with General Condition 4.

(3) If, at any time, any of the events specified in (A) to (H) below occurs and the Index Sponsor or, if applicable, the Successor Sponsor, has not in the opinion of the Calculation Agent made an appropriate adjustment to the level of the Index in order to account fully for such event, notwithstanding that the rules published or applied by the Index Sponsor or, if applicable, the Successor Sponsor, pertaining to the Index have been applied, the Calculation Agent shall make such adjustment to the level of the Index as it considers appropriate in order to so account. (A) a distribution or dividend to existing holders of the Shares; or (ii) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the issuer of the Shares equally or proportionately with such payments to holders of Shares or (iii) any other type of securities, rights or warrants or other assets, in any case for payment (in cash or otherwise) at less than the prevailing market price; (B) a free distribution or other assets, in any case for payment (in cash or otherwise) at less than the prevailing market price; (B) a free distribution or dividend of any Shares to existing holders by way of bonus, capitalisation or similar issue; (C) an extraordinary dividend; (D) any cash dividends declared on the Shares at a time when the relevant issuer has not previously declared or paid dividends on such Shares for the prior four quarterly periods; (E) any non-cash dividends declared on the Shares at a time when the relevant issuer has not previously declared or paid dividends on such Shares for the prior four quarterly periods; (F) any other extraordinary cash or non-cash dividend on, or distribution with respect to, the Shares which is, by its terms or declared intent, declared and paid outside the normal operations or normal dividend procedures of the relevant issuer, provided that, in all cases, the related ex-dividend date occurs during the period from but including the Issue Date up to and excluding the Valuation Date or the Issuer Call Date; (G) a distribution of cash dividends on the Shares equal to or greater than 8 per cent. per annum of the then current market value of the Shares; (H) any other similar event having dilutive or concentrative effect on the theoretical value of the Shares.

(4) The Issuer reserves the right to make adjustments or to distribute to the Holders any rights in connection with the Securities as it reasonably believes are appropriate in circumstances where an event or events occur

which the Issuer (in its absolute discretion and notwithstanding any adjustments previously made to the Securities) believes should in the context of the issue of Securities and its obligations hereunder, give rise to such adjustment or distribution, provided that such adjustment is considered by the Calculation Agent to be appropriate generally (without considering the individual circumstances of any Holder or the tax or other consequences of such adjustment in any particular jurisdiction) or is required to take account of provisions of the laws of the relevant jurisdiction or the practices of the Exchange.

- (d) The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations.

5. GOVERNING LAW

The Conditions pertaining to the Securities shall be governed by and shall be construed in accordance with English law.

Information relating to the ABN AMRO Indonesia Index

The ABN AMRO Indonesia Index is a proprietary index. No use or publication may be made of the ABN AMRO Indonesia Index without the prior written consent of ABN AMRO BANK N.V.

1. The Index

The ABN AMRO Indonesia Index (the “Index”) is a capital weighted index which is created and maintained by ABN AMRO BANK N.V., London Branch as its sponsor (the “Index Sponsor”). The Index is initially to be composed of the 30 top shares in terms of percentage weighting of the Jakarta Stock Exchange LQ45 Index (Bloomberg: LQ45 Index) excluding shares which have Restrictions on Foreign Ownership (defined below). This means that as against the Jakarta Stock Exchange LQ45 Index, each share in the Index will be over-weighted and therefore, there will be concentration considerations.

In Indonesia, there are certain legal and regulatory restrictions imposed by the Government of Indonesia as regards the holding of equity participations by non-Indonesian nationals in companies which are organised in Indonesia (“Restrictions on Foreign Ownership”). The Index will not be composed of any shares of companies where such restrictions apply even though such companies may be within the Jakarta Stock Exchange LQ45 Index. This means that from time to time, the number of companies whose shares are included in the Index may fall below 30.

The Index is a notional index investment and no actual investments in the relevant shares are made. Therefore, any securities which are referenced to the Index carry no rights of any kind with regard to the shares from time to time comprised in the Index or to any notional cash which is pending any theoretical reinvestment.

2. Index Sponsor

The Index Sponsor will make determinations as regards the shares which are eligible for inclusion within the Index and will determine the quantity of such shares to be included. In addition, on the basis of the formula for and method of calculating the Index, the Index Sponsor will calculate and publish the level of the Index on a daily basis. However, the Index Sponsor has no discretion as to the selection of the shares,

the appropriate quantity or the timing of purchases other than in line with generally accepted market conventions applied by sponsor of indices.

3. Index Composition

The Index will commence on 26 May 2004 the (“**Index Commencement Date**”) with a base value equal to the level of the Jakarta Stock Exchange LQ45 Index on such date as of the opening of the Jakarta Stock Exchange LQ45 Index.

Initially, it is intended that the Index will be composed of the following shares on the Index Commencement Date:

4. **Recomposition of the Index**

Following initial composition of the Index on the Index Commencement Date, the Index will be notionally recomposed on:

- (i) on the first Trading Day of each year starting from and including 2005; and
- (ii) on each day, or the next following day on which the stocks comprised in Jakarta Stock Exchange LQ45 Index are traded on the relevant stock exchange following the declaration of any Restriction on Foreign Ownership pertaining to a company whose shares are included in the Index (a “**Recomposition**”). In the event that the Index Sponsor determines that a Share Market Disruption Event has occurred with regard to any share then comprised in the Index or to any share which is to be included in the Index in accordance with this index description then such share shall not be so included or removed as the case may be but shall be included or removed in the next following Recomposition.

“**Share Market Disruption Event**” shall mean:

- (i) the occurrence or existence on any Trading Day during the one hour period that ends at the official close of trading on the Exchange or any Related Exchange of any suspension of or limitation imposed on trading or the disruption or impairment in the ability of market participants in general to effect transactions in (by reason of movements in price reaching or exceeding limits permitted by the relevant Exchange or otherwise): (A) the shares on the Exchange or any other exchange on which the shares are listed; or (B) any options contracts or futures contracts or other derivatives contracts relating to the share on any Related Exchange, if, in the determination of the Calculation Agent, such suspension or limitation is material; or
- (ii) a general moratorium is declared in respect of banking activities in Indonesia.

For the purposes of this definition, a limitation on the hours and number of days of trading will not constitute a Share Market Disruption Event if it results from an announced change in the regular business hours of the Exchange or any Related Exchange, but a limitation on trading imposed during the course of the day by reason of movements in price otherwise exceeding levels permitted by the Exchange or any Related Exchange may, if so determined by the Index Sponsor, constitute a Share Market Disruption Event.

Upon a Recomposition, the value attributable to any share shall be its prevailing market price on the relevant stock exchange at such time less, in the case of a notional disposal, a charge of 0.30% per re-composition transaction per share, or plus, in the case of a notional acquisition, a charge of 0.30% per re-composition transaction per share.

Upon a Recomposition, any cash notionally arising following a notional disposal which is not fully utilised in any recomposition may be notionally held as cash in the lawful currency for the time being in Indonesia.

5. Weighting of Shares Included in the Index

Following the initial composition of the Index on the Index Commencement Date, on each Recomposition the weighting of each share will be calculated as follows:

$$W_i = (100\% / \sum_{j=1}^M N_j) * N_i$$

W_i = Percentage Weighting of i th stock in the Index on a Recomposition Date

M = Number of stocks in the Index

N_j = Percentage Weighting of j th stock in the Jakarta Stock Exchange LQ45 Index on the same Recomposition Date

6. Index Calculation

The Index shall be calculated by the Index Sponsor on each day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments in London and a day on which each Clearing Agent is open for business) (“**London Business Day**”) and shall be quoted in the lawful currency for the time being of Indonesia in accordance with the following formula:

$$IL = \sum_{i=1}^M X_i * P_i$$

IL = Index Level at any time

P_i = The prevailing market price of i th stock in the Index

X_i = Number of shares of i th stock in the Underlying Index. X_i is defined by the formula:

$$X_i = \frac{\text{IndexLevelontheLastReompositionDate} * W_i}{P_i^0}$$

P_i^0 = is the price of the i th stock in the Underlying Index on the last Recomposition date.

For the purposes of determining the aggregate notional value of any shares, regard shall be had to its prevailing market price on the relevant stock exchange at such time. In determining the Index Level on the cessation of the Index, the value of each share comprised in the Index shall be adjusted in a manner equivalent to a notional disposal of all the shares comprised in the Index.

7. Certain Adjustments Pertaining to the Shares

Following the occurrence of any of the events below, the Index Sponsor may adjust any share as described below:

(A) Changes to companies which issued shares (each a "**Share Company**"):

- (1) If a share is delisted, or ceases to have a firm quotation, or is subject to a take-over offer which has been declared wholly unconditional it will cease

to be eligible for inclusion in the Index and will be substituted for new shares issued on connection with such delisting, cessation or take-over offer.

- (2) Any such substitution shall be effected simultaneously, before the start of the Index calculation on the Trading Day following the day on which the event justifying such substitution was announced by the relevant exchange. Announcements made after the close of the Index calculation shall be deemed to be made on the following Exchange Business Day. In the case of a take-over offer, the event justifying the removal shall be an announcement that the offer has been declared wholly unconditional.

(B) Mergers, Restructuring and Complex Take-Overs:

- (1) If the effect of a merger, restructuring or take-over is that a Share Company is absorbed by another Share Company, the resulting company will remain a constituent of the Index.
- (2) If a Share Company is taken over by a company whose shares are not eligible for inclusion in the Index the shares will be removed and substituted for another eligible share.
- (3) If a Share Company is split so as to form two or more companies, then the resulting shares will be included in the Index.

(C) New Issues:

- (1) All new issues of shares of companies which are included in the Jakarta Stock Exchange LQ45 Index shall be eligible for inclusion in the Index.
- (2) For the purpose of this paragraph, a company whose shares are relisted following suspension or which is reorganised or renamed or which arises from a demerger or complex reorganisation of another company whose shares were not prior to such event eligible for inclusion in the Index, shall not be considered to be a new issue of shares.

(D) Suspension of Dealing:

Where the shares are suspended from dealing beyond noon on the second Trading Day following the day of suspension the Index Sponsor may decide to remove such shares from the Index and the relevant shares shall no longer form a part of the Index. If a relevant share has been suspended for ten consecutive Exchange Business Days, it shall be removed from the Index on the eleventh Exchange Business Day. When a relevant share is removed following

suspension of its quotation, such relevant share will be removed at a price of zero.

(E) Relisting of Suspended Shares:

Where shares have previously been suspended from dealing and have been removed from the Index and such shares are subsequently relisted they may be reinstated as being eligible for inclusion in the Index.

(F) Other Potential Adjustment Events Pertaining to Shares:

Each of the following shall be a “**Potential Adjustment Event**”:

- (1) a subdivision, consolidation or reclassification of relevant shares (otherwise than described above), or, a free distribution or dividend of such shares to existing holders by way of bonus, capitalisation, recapitalisation or similar issue;
- (2) distribution or dividend to existing holders of the relevant shares of (aa) such shares, or (bb) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Share Company equally or proportionately with such payments to holders of such shares, or (cc) any other type of securities, rights or warrants or other assets, in any case for payment (cash or other) at less than the prevailing market price as determined by the Index Sponsor;
- (3) an extraordinary dividend;
- (4) a call by the Share Company in respect of relevant shares that are not fully paid;

then the Index Sponsor will (in the case of ((1) to (6) above) make such determination or adjustment as it considers appropriate to reflect the relevant adjustment and in the case of (5) above will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the relevant share and, if so, will: (1) make the corresponding adjustment, if any, to any one or more of the terms of the Index and/or the Weighting of the relevant

shares as the Index Sponsor determines appropriate to account for that diluting or concentrative effect; and (2) determine the effective date of that adjustment.

ZUSATZANGABEN FUER DAS ANGEBOT IN DER BUNDESREPUBLIK DEUTSCHLAND

WICHTIG: DIESE ZUSATZANGABEN FUER DAS ANGEBOT IN DER BUNDESREPUBLIK DEUTSCHLAND SOWIE DARIN ENTHALTENE BEZUGNAHMEN AUF WERTPAPIERE BEZIEHEN SICH AUSSCHLIESSLICH AUF DEN NACHTRAG NR. 589 VOM 26. MAI 2004 GEMAESS § 10 WERTPAPIER-VERKAUFSPROSPEKTGESETZ ZUM UNVOLLSTAENDIGEN VERKAUFSPROSPEKT VOM 28. FEBRUAR 2002.

1. BESTEUERUNG

Der folgende Abschnitt beschreibt die nach deutschem Steuerrecht auftretenden steuerlichen Folgen der Veräußerung von Wertpapieren innerhalb der Einjahresfrist auf Grundlage des zum Zeitpunkt der Veröffentlichung des Offering Supplement geltenden Steuerrechts. Diese Zusammenfassung ist allerdings nicht erschöpfend. Insbesondere werden keine Aussagen ueber die steuerlichen Folgen gemacht, falls einzelne Wertpapiere nach deutschem Recht als sogenannte Finanzinnovationen oder eigenkapitalaehnliche Instrumente zu besteuern sind. Inhabern, die in Bezug auf ihre steuerliche Rechtsposition im Zweifel sind, wird empfohlen, ihren Steuerberater zu konsultieren.

Ein in Deutschland ansaessiger Privatanleger (Wohnsitz oder staendiger Aufenthaltsort in Deutschland), der das Wertpapier innerhalb eines Jahres nach Erwerb veraeusert, unterliegt mit einem Veräußerungsgewinn grundsatzlich der Einkommensteuer, (zuzueglichen Solidaritaetszuschlag in Hoehe von 5,5% der Einkommensteuer).

Der Erfolg aus der Veräußerung wird als Differenz von Verkaufserloes einerseits sowie urspruenglichen Anschaffungskosten und Spesen andererseits ermittelt. Im Kalenderjahr werden saemtliche Gewinne und Verluste aus diesen Geschaeften saldiert. Liegen die Gewinne nach Saldierung unter Euro 512, bleiben sie steuerfrei; ab Euro 512 sind sie in voller Hoehe steuerpflichtig. Wird nach Saldierung ein Verlust ausgewiesen, kann der Verlust im Vorjahr erzielte Gewinne aus aehnlichen Geschaeften mindern. Ist das nicht moeglich oder gewuenscht, kann der Verlust vorgetragen werden.

Aehnliche Regelungen gelten, wenn der Privatanleger Rechte zum Erwerb/ zur Veräußerung erwirbt oder Verpflichtungen zum Erwerb/ zur Veräußerung innerhalb eines Jahres durch Barausgleich oder Glattstellung aufgibt. Auch nach Ablauf der Einjahresfrist kann im Einzelfall eine Steuerpflicht gegeben sein. Sind die Wertpapiere einem Betriebsvermoegen in Deutschland zugeordnet, unterliegt der Gewinn aus der

Verausserung unabhangig von der Haltedauer grundsatzlich der Einkommensteuer - oder Koerperschaftsteuer zuzueglich eines Solidaritaetszuschlags i.H.v. 5,5% hierauf sowie der Gewerbesteuer. Der Umfang der Steuerpflicht ist allerdings fuer jeden Einzelfall gesondert zu bestimmen (z.B. keine Gewerbesteuerpflicht fuer Angehoerige freier Berufe). Ob Verluste abziehbar sind, haengt von den Umstaenden des Einzelfalls ab. Auch eine nicht in Deutschland ansaessige Person ist im allgemeinen nach den oben genannten Grundsatzen steuerpflichtig, z.B. wenn sie in Deutschland eine Betriebsstaette unterhaelt oder einen staendigen Vertreter bestellt hat.
